Adult Outdoor Soccer – Program Synopsis

Who:

Any player wishing to play, from 16yrs old and up. Teams can be gender specific or mixed – depends on number registered. Typically, our local teams have been male. There have been attempts at 7-a-side women's teams.

Within the district, Lac La Biche, Cold Lake, St Paul, Wainwright, Provost have fielded teams. In 2010 there were 5 teams in the district. Games in the district are scheduled ad-hoc and usually occur on the weekend (Sunday is popular). Round-robins are set up to make travel worth-while.

When:

The team starts practice **Sunday May 7, 7pm, weekly thereafter**. All practices at Vermilion Soccer fields. Games can be scheduled any time until late August.

Cost:

VSA charges \$90 per player for registration. This includes:

- ASA/LDSA fees \$45 + GST
ASA/LDSA registration allows for sports insurance coverage, games with other district or out of district teams, access to referees.
- Balls, nets, field maintenance \$20/player
VSA has the equipment, this recognizes the cost of upkeep.
- Referee fees for district games (6 estimated) \$20/player

As noted, the team could register to play in the St Albert mens league. **See below for update (11/04/2011)**

Addendum:

St. Albert Soccer Association Mens League – registration April 17, all registration forms and rosters submitted that day to League registrar; we would need them in hand by April 15th. 16-18 games throughout season, leading to potential provincial playdown berth. Games scheduled for Sundays if possible, Tuesday or Thursday otherwise; means a game/week from May 1st to end of August.

- Registering for the SASA league would eliminate most local play based on time restrictions
- Cost per team is \$3400 – expect about \$200/player minimum.

Based on the short time-period to complete the registration, please make immediate contact if you are committed to participating.
